So sorry to hear about the passing of Coach Sloan. He was a respected man in McLeansboro, both as a basketball player, coach, and a citizen of the community. I remember some years ago when there was an auction there in town, he was there and graciously gave me his autograph. My condolences go out to his family.

My sincerest heart felt wishes to the Sloan family. The standard bearer for a good man has passed. Jerry was a perfect example who never let success go to his head. I had the privilege of working at the Mcleansboro paper when Brian and Holly played ball and got to know Jerry pretty well. He was always that country boy who never forgot where he came from. We in Mactown have all lost a good friend. Our best wishes to you all.

I know I never knew you personally but I knew of you from coaching the jazz , I was @ the 1996, 1997 and 1998 Finals, I loved watching how Intense you were on the floor and I knew of how nice you were. Last year I was at the game with my stepdad , You and him were walking side by side. RIP Coach Sloan. 1942 - 2020

You touched so many lives, mine included .... Rest In Peace Coach! You and Van Lier made a heck of a duo in Chicago, and I smile with the thought of you both being reunited in Heaven! God has a heck of a backcourt now!
