I have very fond memories of your dad and mom. We rode bikes t ogether, baked pies, remodeled a church and took trips to the Washington temple with 12 teenagers. Your dad was always the voice of calm. Sorry for your loss.

Dear Stacey, I'm so sorry to hear about your Dad's passing. No matter how old we are, how old he was, or even if it was expected, it's always hard for a girl to lose her Daddy! Sending love & prayers your way, sweetie.■■■■

My deepest sympathies at the loss of such a wonderful father, grandfather, brother and friend. I met Bruce whe he was at Legacy House. He was truly a gracious servant f the Lord and brought joy and Hope in his gentle way. He was fully committed with his whole heart and soul to Jesus Christ and The Father.

Bruce was and is a Great Example to me what a Wonderful Friend he was to my Mother at Legacy, also my Friend . I miss our FaceTime visits , he always had a great smile and we looked forward to our visits. We would always talked about how wonderful our Families are and how Blessed we are. You all took such Loving care of your Dad. What a wonderful Tribute to your Dear Dad, Grandpa, and Friend. I sure felt the Love, Respect, Honor that was said at his Funeral, I knew he was a Great Man and I learned more about him and his Wonderful Family at his Funeral. I am so Greatful for the privilege I have had to know him and all of you. Thank you, Stacy, Darin , Andrea, Teri & Gary all so much for the memories of your Dad that I will always cherish . And for making me feel welcome, You all are Awesome. I Love your Dad as a Good Friend, and my heart goes out to all of you, I feel your loss, I truly have Love in my Heart for you all. ❤■ Judy

I miss Bruce and please know that he is remembered in the story of my life. Bruce and I were schoolmates from 1952 to 1955 and remained friends throughout our life. We often visited each other when he and Lois lived to Florida and frequently talked on the phone after he moved to Utah. Warm regards to his Family Tom Cheetham Jacksonville, FL
