Deepest sympathy Jackie and to your family. Pauline and Mike

- Mike and Pauline Gunn

What a nice obituary! Well done, cousins. I'm so sorry for your loss but how great that your dad was active to the end. He was quite the adventurer. Thinking of you all with love.

- Linda Bosen

Dear Steve and Family, I'm so sorry for the loss of your dear father and friend. Please know of my thoughts and prayers in your behalf. May the Lord bless and comfort you. Sincerely yours, Sheri Dye

I lost a very dear friend on March. We both enjoyed the outdoors together. We always had a wonderful time in the beauty of nature. He was the best friend anyone could ask for. He will be sorely missed. We flew airplanes, climbed mountains, and skied the slopes of Utah. May his sweet wife and family be comforted and blessed during this time of sorrow.

- Harald Goeckeritz

My husband Harald first met George at the Wasatch Mountain Club many years ago. What a friendship that became through the years. It was a great loss to my husband on the news that George had passed away. Whenever I met George he always had a huge smile and quick to laugh. They were an unlikely twosome. George was a gentle giant. May the Lord bless and keep you, and you find peace at this sad time.

Sounds like he was a wonderful dad and husband! I have no doubt he will be missed!! We love you guys! Love, Mike and Beth Williams

Thinking of you and sending my deepest sympathy.

George was a model airplane flying buddy of my husband, John. His name is so familiar to me and I note that he attended John's memorial celebration in August of 2017. I believe they also traveled together on a Southern Utah hiking and camping trip. I know that John valued his friendship as well as their Iowa roots, love of their (five each) children, joy of retirement, and appreciation of the great outdoors.

Laura, your dad was one of a kind! Always so chipper! I was amazed he ride his bike down big cotton wood canyon in his 80’s! What an inspiration!! My heart is heavy for you & your family! What a beautiful obituary. He will be truly missed! All my love to you! Robin

Please accept my condolences. I always admired Uncle George as an avid outdoorsman (hoping I might do the same), a fellow aviation enthusiast, and an excellent gentleman in the purest sense of the word. His presence will certainly be missed but he will remain ever near. With much love, cousin Paul.

This amazing man was my uncle. And it was my privilege to know and learn from him. He's cutting a new trail now one we'll be delighted to see him on when that day comes. Love to the Swanson family!
