

Bruce Herbert Jensen

December 24, 1931 ~ May 7, 2022

Bruce was a great man and dear friend. God be with you in this time of loss. He lived great and he's enjoying time with JoAnn.

- Paul Godfrey

Connie, Sandy and Jennifer We are thinking of you at this tender time. We remember your father well-especially his pine wood derby cars! We have so many memories of each of you during our Canyon Rim years. What a full and successful life your father lived. May you find comfort as you reflect on happy times and fond memories. We will miss Bruce. I enjoyed his fun sense of humor and the oak tree starts that he passed along. He’s a good man Tom & Maureen

Connie, Sandy and Jennifer, You already know this: your father is a special one-in-billion person. He and JoAnn lived life to the fullest and made everyone’s life around them better. I miss them both but happy to know they are together again. With love, Paul and Julie Johnson
