John Norman Miller

August 31, 1944 ~ December 28, 2019

We have been backyard neighbors for over 50 years and unfortunately we did not know that Johnny had passed away. We had both talked about not hearing his voice in your back yard. Our daughter looked it up for us and we are saddened that your family has gone through the sorrow of losing your husband and father. We send our condolences and pray you have peace as a family after losing your dearly beloved.
