

Glenn Charles England "Papa"

May 5, 1943 ~ February 16, 2022

I feel so fortunate to have become acquainted with Glenn. Kelly introduced me to him a few years ago at the duck club. He made me feel like a long time friend from the first day I met him and always made me feel welcome on our hunting trips. He is one of the kindest people I have ever met. I am so sorry for your loss. May God bless and comfort you at this time.

Glenn was a terrific member at the North Point duck club who always had a friendly word or two , three, etc. for anyone he encountered. We will miss Glenn as one of our duck hunting brothers and remember the times we shared with him.

I was fortunate to have met Glenn, he was a regular customer of Don Antonio's Mexican Restaurant. He always had a joke and made our staff laugh. He loved his wife and was proud of her , he showed us pictures of her and her performances. She is a beautiful lady. He was so full of life he would come in on Saturday's after duck hunting for his Chile Verde burrito. Glenn I know you will be missed by many, my thoughts and prayers are with you and your

family. Norma Lopez from Don Antonio's

I was so sorry to hear about Glenn’s passing. I worked with him for over thirty years. Glenn was the kindness, most generous, and caring person I have ever known. He had a smile or a joke for everyone . He was so giving and I remember every Christmas when he brought us all the wonderful cookies, fudge and the rum balls you made, he was so happy to share them with us and how proud he was of you for making them! We all used to joke that we could smell Glenn before we could see him. He will be missed!
