Myself and my family will miss our awesome neighbor. When I first met Gill he had a very ugly dog and I couldn't understand why anyone would want a slobbering, bulging eyed stinky fat bull dog. After a while I could clearly see he loved that dog and realized that was the kind of person Gill was, he saw past the stuff that didn't matter and that's why I respected him so much. The world could use more people like that. Rest In Peace Gill !

Long ago and far away, I worked for Benson Hathaway in his summer construction business as a general contractor. In the summer of 64, I had the privilege of meeting Gil Meier. Gil took the time to work with coach Hathaway on a new home site in the Mt. Olympus cove area. Gil was an immediate friend and most assuredly an amazingly friendly and loving human being. I played football for Skyline and of course took a great deal of Gil's sense of humor relative to Olympus and Skyline rivalries. He was so very easy to be around and such a great man to take on a punk kid like me at the time and allow me to almost be an equal to him as a friend. I was young and dumb and he was not. But he allowed me to joke with him and to be a friend as I noted. A great human being and my sweet wife Jane Ann's mother shopped at Meier's almost exclusively. The world will miss him as will his great family, my love and light to the family and please know how much he will continue to love and look after you all. Thank you, Dan Roberts

In 1973 Gil Meier spoke words of encouragement and counsel that changed the direction of my life. Thank you Mr. Meier for being who you were and the interest you had in helping others. You will always be remembered for the service you gave.

Judy and I are very sorry to hear of Gil's passing. He is such a wonderfully kind and loving man. It is said of many, but very true in Gil's case, that he would give anyone the shirt off of his back. I think of Gil as a friend and mentor and will miss him. This world has lost a great soul.. We are sorry that we can't attend either the viewing or the funeral, but we certainly extend our condolences to his children and grandchildren. We can all take comfort knowing that he is again with his beloved Donna and his daughter Tommylu, among many others. We wish you comfort and peace going forward. Rob and Judy Reese

It was sad to hear of the death of Gil. I have so many good memories of his caring, kindness, and guidance given to me when I was younger. He was the big brother to me when I first started officiating wrestling in the mid 70's and continued to always have kind words for me and my family. He will always be remembered for the examples of service to others, how he touched the hearts of many, and his ability to make those he worked with to always have the desire to improve and do ones best in all things. He was a special gift to us and has a special place in my heart and memories. He will be missed but always remembered. Prayers and thoughts for your family during this time. Gene Kawa

I first met Gil when I came to the U of U Counseling Center in 1978 and knowing him was a delightful pleasure. He was a warm, caring friend and colleague. He was a positive influence in the center and the community. It was a privilege to have known him.
