We are all heartbroken at this news. Cameron was the friendliest guy in the neighborhood, and always had time to talk if he was outside working on the yard or boat, whether you were driving by, walking kids home from the elementary school, going on a walk, or riding a bike. The Nichols always had the best Christmas lights every year. Cameron was a great youth leader and his example will influence our kids their whole lives. Jeri and Cameron have a beautiful family and they have both been such a positive influence on the neighborhood and church congregation. They have wonderful kids who reflect their parents' goodness. We love your family!

- Tami Owen

I am so sorry for your loss. Cameron and I worked together at Eye Care Leaders where I ran the marketing department. He was an amazing person who dearly loved his family and loved talking about them. Words are inadequate to express the pain and the void that Cameron's passing has caused. He is a son, husband, father and friend with exceptional qualities. Everyone loves Cameron. He exemplifies what it is to be a true disciple of Christ. He passes firm in the faith and on the covenant path. He is gone to soon, but he now is preparing to welcome his family and friends into the next life. It's an honor to have known him here in mortality and he left me a better person for knowing him. Heaven gained one of the noble and great ones. I love you Cameron. I'm sure your Dad is happy to have his son, but the rest of us feel the loss.

- Craig Fisher

I was so sorry to hear of Cameron's passing. I was fortunate to get to know him while he was working at ZEISS and especially while he was interviewing for Regional Director of the West SUR team. He was so easy-going, warm, and just such a kind guy. To say he'll be missed is an understatement. I can only imagine how tough this loss is, and I hope Cameron's family and friends find comfort in having the opportunity to know such an outstanding person.

- Malissa Towne

I love Cameron. I got to know him professionally and he was always wonderful to work with in the ophthalmology world. I'll never forget racing in his truck to the airport during a snowstorm to make a trip to Torrey Pines to fold the day before a big eye meeting. I also knew him personally as a high counselor to our ward when I lived up the street from him in Draper. He was a great man and friend. I hope his family can find peace in knowing just how much he is respected in the eye world.

- Phil Hoopes, Jr.

We want to express our love and sincere condolences. We will always keep Cameron and his wonderful, irresistible personality in our hearts. Everywhere he was, he would brighten lives, bring light, and share love. It was just his nature—that of a true disciple of the Lord Jesus Christ, a brother, and a friend to all. We pray for Jeri and their children, and your whole family. May the Lord grant you the faith, peace, and comfort you need to overcome the deep pain of separation. We love you.

- Gerald and Valerie Caussé

I loved taking the long way home by Cameron's house to see if he was outside and available for a visit. We had many long conversations about life, careers and family in his front yard. A lot of times he would manage to carry on a conversation with me while simultaneously playing volleyball/football with his kids. He was larger than life, and a genuine friend. My deepest condolences. Adam Ziebarth

To The Nichols Family, To say that Cameron was a friendly, helpful and stellar man is an understatement. He was the kindest man and he knew how to make everyone feel comfortable. I remember him stopping whatever he was doing to talk to people who walked by his house as he was gardening, or putting up his fabulous Christmas tree decorations. As a member of the Bishopric, his love and acceptance for everyone made our Ward a better place. He loved the youth and they loved him.

- Robert & Gayle Hollingsworth

I was honored to work in the field of ophthalmology with Cameron for many years. He was a bright ray of sunshine and his smile lit up a room. Cameron was always smiling as he worked with physicians and staff to help people see better. Heartfelt thoughts and prayers for the family and loved ones of Cameron, he was a great man and will be

dearly missed. ■

Dear Jeri and kiddos, I am so sorry for your loss. I was lucky enough to work with Cameron. Although we didn't work together for very long, we would try to meet up and see how one another was doing. He loved you all so much. That was evident in all of our conversations. He was kind, gently and rarely had a bad thing to say about anyone. That's how I will remember him. Sincerely, Rich Erikson

- Rich Erikson

Cam was a pleasure and joy to be around....always. He was fun, smart, eager to help anyone in need and goofy at times, in the best and most funny ways :) His passing has rocked our work family. He had a positive impact on countless people he worked with and is the rare individual who no know could ever say anything about them, other than glowing remarks. He was respected by surgeons. His relationships and knowledge, helped countless surgeons to be able to be better, improving or saving people's sight. He is the embodiment of a wonderful person, who lived life well. Sincerest Regards.

Jeri, Brin and family. I was heartbroken when Emily told me of Cameron‘s passing! I’ll always remember him not only being a soccer coach to our little 6,7,8+ year olds but what a father figure he was to the girls and how fun and outgoing he was. It’s been a while since we had seen you guys ,however I remember his face, his laugh, his smile and all the funny things that he used to say when the girls were running chaos on the field! My condolences, my prayers, and my heart go out to your entire family Kristi & Brandon Hartness

To the Nichols Family, We have known the Nichols family for over 50 years. We saw Cameron in January at the Huntsman Cancer Institute and learned of his cancer and his optimism in working through the disease. It was a shock to learn of his surgery and death the other day. Our hearts go out to Marjorie, Jeri and the children, as well as Cameron's siblings. Reading Cameron's obituary it sounded like we were reading his father Duane's life, who served with me in Rowland Heights many years ago. Duane was the best... like father like son. What a glorious reunion! Please know that we are praying for all of you. We love the whole Nichols family. Much love from here,

Bob and Sharon Johns

I am so sorry for your loss. Cameron was a great friend and someone that I will miss always. His nature was so genuine. He loved life and people and both loved him back. I will miss our time together in person or on the phone. Every conversation we have ever had he always talked about his wife Jeri and his 3 kids. It was obvious that he was the ultimate family man and was forever in love with Jeri and the life they were building. His passing is a huge loss for all that knew him. His life however should be honored for they way in which he lived. He cared about others and served others tirelessly. He was a great example to all on how to live and treat people. Rest in peace my friend. Wayne

Dear Nichols Family. I heard about Cameron’s tragic passing just today while being in the Netherlands. I am devastated that a young, strong, loving, humorous man can suddenly be gone. I have been at your house only a few times when we lived across of you. But every time you and your wife Jeri have given me a warm welcome and a great feeling of a wonderful neighbor. This was over 14 years ago, but it has made a lasting impression. I wish your family all the strength to carry this tragic loss.
