Helen and Serassio Seager family, Even from afar, as one of Helen's many colleagues and admirers, it's obvious how special Carey is to the family and how much every moment of her life has meant. May she live in your memories of her and in the impression she made on the world. Sending condolences and love your way, Marianne Engelman-Lado

Hi everyone, I am Matt and Carey's neighbor for going on 20 years. We have had some pretty awesome times together as my family grew up. I built my house and they were next ones to build. Loved them from the time we met them! Carey supplied legal support when we needed and asked. But more than anything you want good neighbors and Matt and Carey have always been there to support me and family and do what neighbors and friends do. God bless you Carey! And Matt, were here anytime to watch over her house, your house or anywhere between!

I don’t know how to begin but I’ll start by saying how deeply saddened I am for your loss. Even though I never met your wife I could tell she was a wonderful and special person and that you loved her immensely just by the way you talked about her. I pray that her memory is a blessing and offer you my deepest condolences. Your Friend Mike
