
Carl John Wall Jr

August 12, 1943 ~ June 22, 2025

Sending all of you my deepest sympathy ,hugs prayers and love to all of you. Carl will always have a special place in my heart, we had an instant bond when I started working at the Care Center. His smile would light up a room and it brightens my day every single day at work. He was one of the good ones and I'm going to miss him so much. Sending you all the biggest hugs in the world, I am truly blessed to say that I knew him and he became an extension of my family at the Care Center. ■■

Uncle John was one of my favorites!! He was always so fun and always laughing. He had a fun and goofy sense of humor that made you want to hang out with him. He was always so loving and welcoming!! He even came to the hospital when we had Thad to meet him. We are so proud of his service to his country!! We are going to miss him!! Prayers for peace and comfort, and lots of fun memories!! Love y'all!!! Karla and Kevin Behunin
