August 21, 1927 ~ July 31, 2020

Darlene was a very special person. So very kind to everyone and always wearing a beautiful smile. Darlene was always dressed so beautifully with her hair always looking perfect and her makeup also perfect. She was a true example of womanhood to us all. Darlene loved the Lord Jesus Christ and showed this by her great example to us!!! We will so miss her but are happy for her to be with Dean. May the Lord comfort her dear family who she loved so very much!! Sincerely. Mike and Shirley Saxey

We are so blessed to have lived by sweet Darlene the past 34 years. She is such a beautiful person inside and out. Her beautiful smile brightened our days and her kindness and caring was always so comforting. We love Darlene and Dean and will be forever grateful for the influence they have been on our lives. When we would visit her she always let us know she couldn’t wait to join her love Dean. We are so happy she is rejoicing with him now but our hearts go out to all those of her loving family that will miss here until they meet again.

So sorry for your loss. I came to love Darlene when I served as her counselor in the Young Women in Murray 33rd Ward. She was a great lady, loved her Lord and Savior, and was very concerned with the young women in her care in the ward. I feel privileged to have known Darlene.

Dear Janet and Denise; I remember your dear mother so well from my childhood. She always had an aura around her of calmness. She was always there to greet us when friends would come by your home. I know that you will miss her here on this earth, but will see her again.
