

Carla Lee Campbell Culverwell

June 11, 1955 ~ September 13, 2022

I worked at Lowe's with Carla for 2 years. She was very kind and helpful as I was learning my job. I appreciated her so much. She will be missed. My thoughts and prayers are with you all.

I REALLY MISS CARLA BEING AT THE EXIT WHEN I LEAVE AT NIGHT. SHE WAS ALWAYS SMILING AND UPLIFTING. MAY SHE REST IN PIECE.

I'm so sorry to hear that Carla passed away. Although I only knew Carla as a customer at Lowe's where she worked, she had a tremendously positive impact on my life. She always had her pockets loaded up with treats for the dogs that came through and my dog, Koa, quickly made Carla her best friend. As soon as I pull into the Lowe's parking lot, Koa knows where she is and immediately drags me all over the store desperately looking for Carla until she can find her. I love my dog and anyone who treats my dog like they are special to them too immediately wins me over entirely. Carla did that. She learned our names, welcomed us whenever we came to the store, and bid us farewell when we left. I so looked forward to seeing her everytime I went to Lowe's and intentionally shopped there because of Carla. I'll never forget Koa happily, emptying Carla's pockets of all the treats meant for other dogs too and Carla happy to stuff Koa full of treats. Carla was a such wonderful presence. I am so glad I met her and I am so thankful for her kindness.
