

Hermann August Peine

May 27, 1944 ~ May 1, 2020

Deepest heartfelt condolences to Louise and family. We were blessed to have worked with Dr. Peine at the Kauai Family Guidance Center. His dry humor always gave us a chuckle. He was a true renaissance man, except he couldn't fix physical things. He could "fix" heal hearts and minds of the families he served at our office. He will always be in our hearts. Please take care. With Deepest Sympathy, Ida Fujimoto

Dearest Louise & Family, We are so terribly sorry for your loss. Hermann was one of those people you felt you had known for a long time, even though we had barely gotten to know you both. We hope you know you are in our hearts and prayers at this time. Love, The Harrises

Herm Peine is the quintessential Renaissance Man with an infectious zest for life and all its possibilities. My heart warms at the memories of his story telling, lovely music, massive candles and fabulous concoctions dished up in their white Springville home. Both he and Louise were always so gracious and welcoming to our family. They truly exemplified "if there is anything virtuous, lovely or of good report or praiseworthy, we seek after these things." Godspeed, my friend.
