

Carol Lynn Kindred Thornton

April 14, 1942 ~ December 22, 2021

I've always appreciated and admired Carol's kindness and how much she cared for others in her life. She loved watching my children grow up over the backyard fence, and always had something so sweet to say about them whenever I saw her. She also sent me a birthday card every year. I'm not sure what I did for her to acknowledge me in that way, but I always looked forward to her birthday wishes. I also admired her knowledge and passion about family history. She sparked that fire in me. Carol's light will continue to shine in my life because of her influence on and love for me and my family. I am so grateful to have known her. My condolences to her dear family.
