Victor, Linda and Ricky: There are no words to express how much I hurt for each of you. In my mind, Kelsey has remained the little girl that I once knew and watched play. What a beautiful young woman she grew up to be. I wish there was something I could say to ease your pain but of course I know that there isn't. Just know that I will keep each of you in my thoughts during the long road ahead. Love, Jamie Brooks

Victor, Linda and Ricky: I'm still in shock and at a complete loss. Kelsey was one of the sweetest and kindest girls I've ever met! I loved her determination to graduate as nurse as well as her passion to help people. Also, I loved her passion for Barre (Now I wish I would've joined her for at least one class) and I don't think she ever missed a class in the two years I was blessed to know her. Kelsey will be greatly missed!! My deepest condolences to all of you!! Love - Deven McCann

Dear Vic and Linda, my heart breaks for you. What a beautiful young woman, Kelsey was. You raised her with love and guidance. Our world was a brighter place during Kelsey's brief time on earth. My thoughts and love are with you both. Love from us, Scott and Patty Reed

- Patty Ishmael Reed

I am so sorry for your loss... I worked with Kelsey at RPT. For the past couple years as I found a parking spot at work I would look for Kelsey's car because I always knew it would be a fun day at work if Kelsey was there. Kelsey was one of my favorite people at work. She had so much personality and sass. I would make shopping lists for Drew and she'd tell me to add seasonal candles, Swedish Fish, seasonal soaps, and cheese and crackers for a nice cheese platter. Kelsey always had the greatest ideas to make our office better. For the last couple years she tried to convince Drew to get us a churro machine and a snack table for patients. She never quite figured out the logistics, but to Kelsey it was a no brainer for business. Kelsey and I loved our Wednesday morning shift together where we could chat about Grey's Anatomy, our dating lives, Disneyland, Country Music, and school. I will miss her friendship in my life tremendously.

- Jessica Papenfuss

Quezada Family, I am honored to be able to work with Kelsey. She was a light at work and all the patients adore her. I loved getting to know her very well at work. Kelsey was a very compassionate caregiver and she truly valued helping other people. I remember all the fun stories that she would share with me about her cooking experiences, let's just say Kelsey loved her Caesar salads. As I am single Kelsey would tell me the best place to find a person was at the Harmons Grocery store. My fondest memory is when Kelsey and I were working a Saturday morning. We had this new patient come in and I thought he was such a nice guy I secretly told Kelsey that she should date this patient "which is not allowed until they get discharged". After I told her what I thought, she gave me the biggest disgusting face ever. She said "ew that is my brother" I never laughed so hard in my life. Kelsey would never let me

forget that I tried setting her up with her own brother. When it was slow on Saturdays Kelsey and I would play Uno together. I had a blast with her! Kelsey I love ya like my own sister. It is a blessing to have gotten to know you. Every time I eat a churro I will always remember you.

- Travis Carn

I know Kelsey from her work at RPT. She was a beautiful person inside and out. I am shocked and saddened by her sudden passing. She always had such a kind and compassionate way about her. She has left a hole in every ones heart that she helped and cared for at RPT. I could not go into the workout room today because Kelsey was not there. My deepest sympathy to her family and loved ones, God Bless you, Shelly Isom

I am saddened to hear of the passing of Kelsey. I was a patient at RPT. Kelsey was a very kind, caring and friendly person. She was conscientious and a hard worker. I talked to her a lot about pursuing nursing school and was happy when she decided to go. She had a heart of gold and loved helping others. I loved her determination, grit and sacrifice in working and going to nursing school. It was a couple days before Thanksgiving and she said she had never cooked in her life...but she felt compelled to take a dish for Thanksgiving dinner. I talked her through making Green Bean Casserole. She glowed as she told me of her success and was so proud of herself with this accomplishment. Kelsey shared with me her love, respect and appreciation for her parents. She told me how you helped her through getting her bachelors degree and couldn't impose again as she wanted to go back to school. She did not want use or abuse your kindness and help. She said she could do it on her own this time. Her parents and family meant everything to her. May you feel the love, thoughts, sympathy and prayers from all those who knew Kelsey. And may you feel Gods peace, comfort and strength during this most difficult time. The world lost a great lady with Kelsey's passing. She will be missed.... Karen Bath

To Kelsey's family, I am heartbroken to hear about your tragic loss of a young, beautiful human being who possessed a quiet and sweet confidence. Kelsey took many exercise classes at The Bar Method. She had her favorite spot in class, and yes you could count on not only her tip-top lulu outfit, but her impeccable, relentless form and perfection throughout class, her strong work ethic, and yes, her quiet confidence. Kelsey not only inspired the instructor consistently, but also would capture the entire class, always moving people to be their best. We have always been awed by Kelsey. She will be missed by our entire Bar Method staff and our community. Her favorite

spot at the barre will always remind me of a young woman who was taken too soon and who could effortlessly light up the room. My prayers and thoughts are with all who are left behind. Carrie Goodwin

I am a patient at RPT, and I just wanted to say how very sorry I am for your great loss. Kelsey aided me in my exercises multiple times, and she was always fun to visit with and just such a joyful person, a true shining light. I could clearly see that she was not only beautiful on the outside, but very much so on the inside as well. She was so very kind to me and really in her element working with people and patients. I know she left positive and happy impressions on everyone she worked with. My heart and prayers are with you ♥■
