Blaine... it was an honor to have known you and LouGene and letting me be part of your lives and family. I want to especially say... thanks for accepting me as the long haired 17 year old kid with the old truck that got oil all over your driveway... :-) You were correct when you recently told me... twice... "You know, I've led a really good life"...

"you did" as I confirmed to you then. Reflecting back on those two conversations... I believe you knew something about the future and wanted me to communicate that message to all that knew you; what more could one ask for. God bless and rest in peace. Till we meet again... Your grateful Son-in-Law Steve (Stoves)
