

Carol Workman Johnson

April 9, 1944 ~ October 13, 2023

It is with great sadness to hear of Carol passing. Prayers to the Johnson family. Carol and I were the very best of friends at Park High. Never forget them. Love Jay

Carol and I had a friendship that lasted a lifetime. We were cheerleaders together at Park City High School, and that was the start of a long friendship. I will listen for her laughter on the golf course, when I'm bowling, and whenever I'm in Park City. Carol was the life of the party and classmate of 62 will be telling our fun stories of Carol and what a caring loving person she was. To Michele, Robert, Nash, and Nya I'm deeply sorry for your loss. ■ I will miss your mom and granny, she was one of the most giving friend in my life.

Caroline and I had some real fun times with CAROL and Jerry. Great times bowling, Four wheeling in Moab ,Cruise ship vacation on SS Norway, and skiing trip to grand Targhee and Sun Valley, Christmas and New Year's Eve parties. We and so many others will miss Carol's infectious laugh. Our condolences and our love to all of the family.

Michele, Nash, and Nya, my heart breaks for you all. Carol was simply a breath of fresh air when she walked into a room; so loving, caring, and funny. She and Jerry took Michael into their fold and treated him like one of their own. Carol will be tremendously missed!
