

Jennie Lee Allen Creer

December 18, 1932 ~ July 27, 2020

I am a first cousin to Jenny Lee through my mother, Arvilla Allen Farnsworth. My condolences to family. Jenny Lee made me feel welcomed in her home on many occasions. I do remember her paintings and they were wonderful, always with light and colors. I have lost contact with the Allen family through the years. I would appreciate a contact phone number or email that I can make contact again.

Catherine, She sounds like a clone of you. So glad you know she is with that "Darling Boy". May you be a peace knowing she loves you.
