

# Jane Laraway Kemp

*November 19, 1925 ~ February 13, 2023*

---

It was a blessing to my life when Jane and her wonderful family moved in across the street when I was a child. Jane was a strong and intelligent woman who went about doing good. I feel that we're never old enough to lose our parents and not feel like an orphan. I'm certain that your future reunion will be a joyous occasion! You have my best wishes and love.
