Dear Brady Family, Our office noted with sadness the passing of your loved one, Carolyn, and we wish to send our condolences and sincere sympathy to you and your family at this time of bereavement. As a member of Weber State University’s extended family, friends and associates will miss her. While we realize a condolence letter cannot lessen your sense of loss, we want to let you know that her achievements and contributions were appreciated at Weber State University. Sincerely, Nancy B. Condolences to Carolyn "Mitzi" Brady's family. We connected at the anniversary party for Rod's sister Joanne & Dean Frandsen last year and met son Howard! Lots of Howard's in the family so it was a fun party! We like the suggestion to share books with the children - she loved teaching. We love the Brady family, love from the Pierson's.

I was unable to get to Salt Lake city for the funeral of your sweet mom today but I watched it on my computer. I wanted to give you all a hug in person and visit after the funeral. I understand that Howard lives out of town and my kids all knew him very well. I can't believe that you all aren't kids anymore. Time goes so fast especially as one get older. Your mom was a very special person in my life when you all lived in Ogden. You can be so proud of her life. She was one of the smartest ,nicest persons I knew. I always loved our visits. She raised smart, nice boys and she must have done it mostly alone because your dad was gone so much. I hope our paths may cross in the future. Come to the east side of Bear Lake to Indian Creek in the summer and visit on weekends. All my kids and I are there and would love to see you all! Love from us all, Carolyn Nebeker Rasmussen
