I am so sorry to hear of your loss. May God's peace and comfort be with you at this difficult time.

Huge hugs, love and prayers go out to the Densely family and all of Casey's friends . This photo of Casey is what I remember... Casey being very kind and sweet and a loving person. We are the same age and I feel that cancer has robbed him of the last chapter of his life, although he leaves a huge legacy of wonderful daughters and grandchildren and they are fortunate to have been close to him. His brother Gary and sister-in-law Kim are my aunt and uncle and they truly loved Casey and I know that all who knew him will feel the loss of Casey.. May you rest in Peace and find your own slice of heaven with abundant streams and fish to catch and reunite with those that have passed before you. Blessings to those you've left behind■

My deepest condolences for your loss. We were all very saddened to hear of his loss. Casey was one of our most favorite patients, he was always so pleasant and kind. My thoughts and prayers are with you and your family during this difficult time. May you find comfort and strength in the memories you shared.

Niki so sorry to read about your husband. I was just thinking about you when you were a baby and I took care of you when your mom worked and I came across this sad news. So sorry for you and your family.
