

Janice Ruth Christensen

September 29, 1941 ~ November 25, 2020

My Aunt Janice was one of the kindest individuals I have ever had the pleasure of knowing. She constantly put the needs of others before her own and lived a life of service to her family, friends and ward members. My sincerest condolences to her family...she will be missed! May she Rest In Peace until we meet again.

- Travis Nix

Having spent many hours in the Christensen home, i can't help but smile thinking of Kent and Jan joining my parents in the heavens. The fellas talking about BYU football, the ladies discussing their music! What great memories I have of Kent and Jan, especially on the tennis court. My condolences to Todd, Keith, Van, and Scottie, may God be with you.

- Rich Beard

Hearing of Kent and Jan's passing filled me with wonderful memories. I'm sorry for your loss, but happy for both of them. Jan was so very generous to me in giving probably thousands of hours practicing and performing music. I love them, and will always be grateful to them. May God bless your whole family.

- Michael Beard

In loving memory of a wonderful sister. Mary and I will love you and miss you always. She has moved on to a better place where she will be relieved of all her earthly ailments and pain. And once again have the comfort of her family who have preceded her back to her heavenly father. We will deeply miss her! May god bless her family. I know she will be missed by all.

- Stephen & Mary Nix

We grew up in Copperton and associated all our lives with the Nix and Christensen families. Janice was one of my bridesmaids when we were married. Our hearts and prayers are with all of you at this most difficult time. Your parents were good friends and we enjoyed growing up with them and their siblings. We have fond memories of our close associations with the good people of Copperton and Bingham. May the Lord's blessings of comfort and peace be with all of you . Grant and Sharlene Pullan Our children went to Hillcrest High School with you.

- Sharlene Pullan
