Dear Linda, I'm so so sorry to hear about Jeff's passing. Your love story is one for the ages! He was such a kind, loving, good man and he still is! I know how you feel at this time. It is so so hard but know that Jeff is still watching out for you. His love for you has not faded but grown. You are so fortunate to have Jennifer and Michael there to watch out for you too. I know your family will be there for you through the hard times ahead. Most importantly your Father in Heaven will be there for you also. He will watch over you, love you, and support you. Rely on Him! I love you girl and I'm so sorry not have made it to Jeffs viewing but I want you to know that I am praying for you. You are such a sweet and loving wife and friend. I love you girl!
