
Jerry L. Stephens

March 22, 1944 ~ November 30, 2021

Jerry possessed a light that could brighten any room! After speaking with Jerry, one felt smarter, always more appreciated, and with a more positive outlook. He had a way of making people feel they were the most important in the room. Even when he felt horrible, he knew how to shine a spotlight on his friends. I feel so fortunate that he was part of my world and he will be greatly missed! I'm comforted to know that he's no longer in pain. I can just hear him saying, "If I were any better, I'd have to be twins"!

What a great man! Words cannot describe how he helped me personally and my growth in the steel industry. He brought a great deal of energy and positivity to the office and life everyday. He will be truly missed. Fairways and greens in your next journey my friend..

My Dearest Family I love and appreciate all of you. (Uncle) Jerry was a North star and such a wonderful part of our family...his sweet and loving disposition made him someone you gravitated to and wanted to be with. I feel so very lucky to have had him in my life. He always made me feel special and very loved. His humor was contagious, and

he just made people comfortable and at home. I truly feel like the world lost its best friend. He will live in my heart always and make me smile with every memory of him. Blessed be.

I consider Jerry one of my closest friends. I first met him as my customer in 1985. We became colleagues in 1988 at Geneva Steel until their closure in 2001 and remained close friends for over 36 years. Jerry always spoke lovingly of his family. Family, friends, customers and anyone crossing his path were impacted by his abundant charm and sincerity. I will miss you dear friend, may you rest in peace.

Dearest Rachael, Jerry was one of the “Great Guys”. I will miss his smile and the happiness I felt just being around him. I can’t imagine the depth of your sorrow. Please except my deepest condolences and sympathy, and know that I’m thinking of you. If I can do anything to help you, I am just down the hall. We all have been so very blessed to know you both and become such good friends. We will all miss him so greatly. With heart felt wishes, Sharon Cortese
