Chief, My sadness today is comforted with memories of fun, friendship, craziness and joy. I heard something special today “ The gift of aging is wisdom.” Thanks for sharing your wisdom, bravery, caring and classiness. I am forever grateful. “Toad”

So many great memories with our families. I can picture Jerry standing on the swim deck of “The Answer” as we motor along at Lake Powell. Driving his Black circa ‘70’s GMC truck with the camper in the Uintas for a family camping trip. At our Family Cabin or and any number of gatherings. Thanks for all the great memories Jerry. The Adamson’s are heart broken but we know you and Brad, Ralph, Elwood and all the rest are together again at The Birdcage having a great time.

Jerry was the most wonderful man and boss I ever worker for. We weren't only co-workers but life long friends. He was an outstanding community leader, leading Granite Police into the future! If it weren't for Jerry Granite wouldn't have the outstanding Police Department today. I will never forget the impact he made on me and the years we shared together. RIP my dear friend.

I'm so sorry for your loss. Jerry was not only my Boss but a lifelong friend. My years of working with Jerry were my best at Granite Police. Jerry was a leader among the Police family. Many looked to him to him for guidance and his leadership. Without Jerry Granite would not be the outstanding Police Dept. they have today. I will remember our times of hard work followed by times of laughter and fun! RIP my friend!
