I am truly sorry for your loss. I am praying for strength for you and your family to get through this ordeal. May the Lord be with you.

I am so shocked and saddened to hear of Jill's sudden death. I haven't had contact with her since she lived in Hurricane, but I absolutely adored Jill and her spunk. I loved all her creative ideas for her house and how passionate she was about her kids. I remember how much fun she had in dressing Scarlet up. I hope she is at peace. Love to all of you who are mourning her beautiful spirit.
