

Charles South Fox

June 24, 1943 ~ September 28, 2025

Chuck was an example to me of having an eternal perspective and living what you believe. He will be missed by so many. One of my favorite memories of him was when he held my newborn just months ago. He cried and told us that she was fresh from heaven and that he could feel her spirit. It was the sweetest moment. Praying for all of the Foxs.

I am so terribly sad to hear of Chucks passing. My sincere condolences to the Fox family! Chuck was one of the most honest business men I ever knew. He was truly a GOOD MAN. He was so knowledgeable and expert at his business. He conducted his business and his life as a true professional. The Good Lord is getting a Great Man. Grateful to know him as a friend

We love Chuck! From the begin he treated us like family. Tracy enjoyed working for him. He was a good example of how to treat others and live the gospel. He was a great business man who was full of integrity. He was a good friend! We're happy that he and Lisa are together again. Now you have two angels watching over you.

My thoughts are with Angie, Sandra and the Fox family. Charles had a unique ability to welcome anyone into his home and make you feel that you were a part of his family. For this I will forever be grateful. He will be missed.

I'm so sorry to hear of Chuck's passing. I have such fond memories of him and of your family from my childhood. It was always great fun to visit Utah in the summer and spend time with your family. There was even a trip or two to Arizona that your family made in an RV. One of those times he made dinner for all of us--I don't know if it was something he made up with what was on hand, or a recipe he'd made before, but it is still referred to by the Henrichsen family as "Chuck's Special". Chuck had the greatest smile and I'll always remember him smiling at his family.

Dear Sandy, I am so sorry to hear that Chuck passed away. I want you to know how much I love your family, and I'm sorry we haven't kept in touch over the years. I learned much more about him--and you--from reading his obituary. I didn't know you were practically childhood sweethearts. He was one of Kay's very favorite people when they worked close by each other. Oh how I wish we could go back and live some of those years again, but I know Chuck wouldn't want to. He is happily waiting for you to join him. I hope you are doing well. I wanted to send a card to you but I don't have your address. Please know that I love you and appreciate you very much. Love, Kathleen Marshall
