Margaret was such a kind person and so positive, especially the last few years of her life. I loved visiting with her and will miss her. My prayers go out to the Mathews family.

My deepest condolences Brother Matthews. As we pray for one another we wonder if our prayers are effectual; yet we know that they are trusting that our Heavenly Father knows how to extend our pleadings to suite the need of those we keep close to our hearts. You and Margaret are constantly in my prayers as we are assured that God knows best when prayers answered result in our coming home into His Rest. God Bless you and Comfort you as you mourn Margaret's entrance into The Paradise of God she surely is rejocing with you having been faithful to the end. Yours and her Eternal Destiny is assured Everlastingly. Love Alex
