Larkin

Dee Oldroyd

December 12, 1929 ~ March 14, 2019

Dear family of Myrna's career long friend and coworker; If I haven't said it, THANK YOU for sharing him and his friendship, mentoring.... Mom always looked back on her upbringing in the insurance industry... with fond memories and respect for your dad.... I'm sorry to hear of your loss and that she couldn't be there to convey her sentiments. All our best, Kim Gaisford-Smith

I know I barely had a chance to send my condolences re: Dee's passing and the friend and mentor he was to mom, but if this terrible thing that has happened (to a woman in 80's in her own home in Wayne county) is also a relative of yours, I am SO sorry - there is no cause for this whatsoever!!!! All my best, (and congrats to the Wayne county school district team going to State) Myrna's daughter, Kim (and family)
