

John A. Kuehn

October 12, 1937 ~ January 17, 2022

I had Herr Kuehn for German I and II at Union in 1984 and 1984. I loved his enthusiasm. I have never used the German he taught me, but nearly everyday I quote him at work and to my four sons. I can still sing all of Stille Nacht and O Tannembaum! I remember his son passing away on his mission. Mr. Kuehn was rightfully devasted. My brother was in his class the day they told him he was needed home immediately. Herr Kuehn was in my top three teachers of all time. I'll be quoting him when I'm 85.
