Our deepest condolences to Melissa and family. Dave was a wonderful man who brought so much joy and warmth, we will miss the late game nights with his music blasting in the background asking us who sang the song. Please know our thoughts are with you as you go through this most difficult time. Our hearts go out to you and your family.

There are no words to express the deep loss we all feel with David's passing. He was always such an amazing guy. Truly one of the good to his core guys. He cared deeply for all of his family and friends and was always there if you needed a hand. He was the one that would show up and that truly cared for all those around him. His loss is immense and immeasurable especially to those who knew him well. Our deepest condolences and love to you Melissa and Morgan. Our family will not be the same without his love and light.
