Alonzo Blaine Pierce

July 16, 1950 ~ January 28, 2017

My dear Jane-o, this is Brother Tetsuro Fujita from Japan. I just happened to come to think of Blaine-o and came to learn that he had gone to the next stage a few years back. It is a sad news, but I am happy to know that he stayed in his covenants with our Heavenly Father. I pray for him as well as for you and your children. It will be a marvelous re-union in the spirit world, don’t you think? Toshiko and I will start our 2nd mission call up in Hokkaido, the northern island of Japan on January 25, 2021. The Frozen The Chosen? We shall find out!!! Take care!!! Love and lots of prayers
