

Cheryl Kathleen Taylor Barney

July 5, 1936 ~ August 11, 2025

My family and I send our love and sympathy on the passing of this remarkable woman. I remember her as a vibrant, talented young woman who captured the heart of my older brother and became a valued sister in law to me when they were married in 1957. I observed the love that they had for each other and for each of their children as they came along. I admired her strong convictions and compassion as she shared her talents with her family, her church, and her friends. Cheryl was someone you could always depend on. I admired her dedication to her family and to her Savior, Jesus Christ. Her presence among us will be deeply missed. May you be sustained in these days of grief by her legacy of faith and love.

Dear Cousins: I was saddened to hear of the passing of your mother and know this is a tender time for your family. I am grateful, however, that you have the knowledge that she is again with your father and other family members, free of the confines of an aging mortal body. As recommended in the obituary, my husband and I made a humanitarian donation in her name. Our prayers continue for you to find peace and comfort.

Dear Peter, Kathleen, Suzanne, Patrick, and Andrew, We are sorry for your loss. It is hard to lose your mother. We were able to watch the service. It was beautiful. So thankful for zoom! Love, Elizabeth Anne
