

John Hampton Bowers, M.D.

February 17, 1942 ~ October 13, 2021

I was so honored to work with and support Dr. Bowers when he worked at the U. I have so many fond memories of him, and was so sad to hear of his passing. I hope your family finds peace during this time.

I’m sorry to hear of Dr. Bowers passing. I worked with him as one of his technicians at the VA. We both shared a passion for unique cars and our chosen careers. I absolutely loved his dry sense of humor and his compassion for other human beings. I am so grateful to have known him. I will miss you my friend.
