What an amazing lady you had for a wife and mom. How cool that she was even a nurse! It is clear that she enjoyed and treasured you all in the photo memories here. I am so sorry for this sudden loss with Cheryl. Our thoughts and prayers are with you at such a difficult time. I know Cheryl lives on in the qualities she brought out in you guys. I'm so sad to hear of Cheryl's passing. She was the best nurse I ever worked under... So compassionate, and yet so tough! One of the finest humans I have ever known. ■
