Dear Frank, I was saddened to read of Josie's passing. I have fond memories of her from the days at Highland High School. She was a delightful person to know and to work with. Always admired for sweet nature. God bless you today and always. Love, Kay Neeley Galli

I express my sorrow for the loss of your spouse, mother, and grandmother. Also, for the loss of the final survivor of all of the uncles and aunts on the Spence side of my family.
