

Christine Crawford Jones

January 16, 1963 ~ January 11, 2021

I am so sorry to all of you for your loss. I have one specific memory that has been coming to mind a lot and thats back when she was babysitting Kaela and I and she would make bread with melted cheese on it for a snack. Her love of crafting is what gave me the inspiration to start my own wood crafting. Hold on to your memories and she will continue to live on. Love to all of you.
