My deepest condolences to my cousins! I can't imagine what you are going through right now with the sudden loss of your mom and grandma! While I was on my mission in Brazil, Aunt Chris always consistently wrote me letters! I cherished these letters and always looked forward to them! They always gave me the pick me up I needed during difficult times. These little acts of kindness of just sending a letter had such a profound impact at needed times. Just another testament of the many ways Chris served countless individuals throughout her life! May you find peace at this time knowing she's playing a hand of McKay Bridge on the other side!

I am so sorry for the loss of your mother. Chris was always incredibly kind to our family, and I'll always remember how willing she was to help—especially when we had questions about my mom's health. Her kindness and generosity left a lasting impression on all of us. That same kindness lives on in each of you. You've always been willing to help others without hesitation, and I know that spirit comes from her. Please know that we are here for you—whatever you need, whenever you need it. With love and deepest sympathy, Camey, Jody, and Chandy
