Our deepest heartfelt sympathy for your loss.

- David & Vicki Neilson

So terribly sad and hard to say "goodbye for now" to someone close. My heart goes out to you and your family, Kathy. Heartfelt condolences to you all.

- Heather Burton

I still remember clearly the first time that Eli came over to my house after the family moved to Stirling and we became neighbors. Eli was a good dude all around and I always thought highly of him. He was a year older than me and 2 classes ahead of me, but we spent a lot of years together in Scouts. I was shocked and saddened to hear of his passing. Kathy, Adam, Emily, Kenneth and Jordan and the rest of the family, please accept my condolences on Eli's passing. All the best, Thomas Bore
