

## Paul Lawrence Anderson

*June 6, 1946 ~ March 23, 2018*

---

I wanted to pass along my thanks to Paul's family for his work on an article about my great(x3) grandfather Truman O. Angell which was published in the book Supporting Saints: Life Stories do Nineteenth-Century Mormons. It's a wonderful piece and my family greatly appreciates. I was able to find a used copy of the book and just completed reading the story and it was very inspiring. If you have other information on Truman Angell I would appreciate, contact me at [angellm@aol.com](mailto:angellm@aol.com). Thank you again. Mark Angell
