The world has lost a lovely angel! My Aunt Karen was so sweet and had a heart of gold. She was not only beautiful to look at, but shared her beautiful ways so willingly with others. She was always so quick to ask about my life. When I lived in Chicago we would always have the best conversations about the Chicago Cubs and baseball. She was my Dad's baby sister and he truly adored her. I loved hearing stories of them growing up together in such a big family. It brings me great joy to know that my Dad is now reunited with his sister that he cared so much about. I can't help but smile when I think of that happy reunion. Cousins Brian and Brad- sending you and your families all the love and prayers as you mourn the loss of your beautiful mother, grandmother and great-grandmother! Love- Jill Dymock Chausow

I was a classmate of Karen, THS Class of 56. We were classmates and friends for most of our childhood and youth. I have happy memories of Karen. I send my sincere condolences to her family. Unfortunately I left Tooele shortly after graduation and have lost contact with most of my friends throughout the years. Friends from those school years seem more precious as time passes. God bless her family. Gayle Nielsen Spear Dossey
