

Karen Helen Stanworth

July 13, 1944 ~ August 26, 2024

Karen was serving as Stake Young Women's President when I was put in as Ward Young Women's President. She had a gift of love for everyone she met and she inspired me to become more like my Savior Jesus Christ. Oh how we loved her. She will be truly missed and remembered for her righteous example.

I just want to say how sorry I am for the loss of such a sweet lady! She was always so nice to everyone, and I know that my family was blessed to have had her in our lives! I can only imagine the reunion that she is having right now.

We loved Karen! Both of us served with her in various callings. She was loving and kind. But we also loved her sense of humor and positive attitude. We will miss her. We send our love and prayers.

I served with Karen in the Stake Young Women presidency 40 years ago. I loved this great lady. We had a riot at girl's camp and all the fun activities together. She was the life of the party. I loved her Christmas parties with exchanged gifts, she knew how to have fun. . She was such a loving person that cared about everyone. I am glad she can now be with her husband Mel again. She will be greatly missed, but I am glad to have all the fun memories I shared with her.
