Sorry about your loss you are in our prayers

- Roger Holcomb

I’m sorry to hear about Karen.Im saddened by the fact that I never met her.I I’ve prayed that she believe in a loving God and living savior.and hear the words..well done my good and faithful servant..I trust that she has been a blessing to all who knew her.Ive always had a feeling growing up that she was someone special.I hope to see her one day in the heavenly confines sporting our new glorified bodies promised us when we finish strong

We are wishing you family peace and condolences as long time neighbors. We wish you the best!

- Mark Bunker

Laurie, Melissa, Kenny and each of the extended family -- The love, admiration, and devotion Karen felt for you -- and that you demonstrated in return -- inspired everyone lucky enough to witness it. Vivid memories of your mom's lifetime of nurturing, creativity, determination, and dedication will, I hope, help fill the void created by her physical absence. Sending love.
