Franklin Nelson Davis

January 9, 1925 ~ May 21, 2020

Frank Davis fostered the feeling of “family” for those of us who worked with and for him at UP&L. He was kind and caring for all his employees but expected integrity and exactness from all. He never needed to use inappropriate language in his daily conversations. The strongest expression I recall him ever saying was “oh my aching back”. Frank Davis was a “gentleman” in every sense of the word. Condolences to Nadine and the rest of their family.

It was an honor to serve under President and Sister Davis in Ohio in the early 90's. He taught me love and compassion by showing it in great measure. My love to Nadine and his family.

This is a time of miserable joy! As much as you will miss your sweet father, you know where he is and that he’ll be an angel to your family! Our thoughts and prayers will be with you and your family at this time! Love to you all! Grant & Jody Hulse

Dear Nadine, our thoughts and prayers are with you and Frank. My memories of you and Frank's service and example to me in Cleveland Ohio is as familiar as if it were yesterday. Your kindness to a young Stake President will always be remembered with warm gratitude. Also your good humor and friendship to an old but newly married couple will be cherished. Nadine, we know your current separation from your beloved Frank will be hard but please know we love you and will always remember. Doug and Susan Wilson, St George

I would like to extend my condolences to the Davis family. It is hard to lose a loved one but I hope that you feel peace knowing what an exemplary life your husband and father lived. I haven't seen any of you for years but seeing the picture of Frank brought back many wonderful memories of our Arabian horse showing days. I have the greatest respect for your entire family. All of you were friendly, unassuming and treated others with kindness. I know that my dad considered Frank to be a close friend in the Arabian horse world. Thank you for your great examples and wonderful friendship. Sincerely, Judy Bonham Cutler
