Kellie & Family, sending you my deepest condolences and love. Janice "In one of those stars, I shall be living. In one of them, I shall be laughing. And so it will be as if all the stars were laughing when you look at the night sky" ~ Antoine de Saint-Exupery

I will miss our lunch get together's, and hearing your stories and hearing your laugh, for the hours we spent at the restaurant, we had so much fun, it will be for ever different with out you there but you will not be forgotten, I will make sure there is a plate and silver wear and a glass set out for you, I know you will be there in Spirit., To your Family she talked about you and was proud of you and loved you. (The IMC Posse), P.S you can now take your pillow case of Barry M and sleep next to him ■
