

Kathryn Pay Barney

February 29, 1944 ~ March 21, 2022

Aunt Kathryn was always so kind to me. She was always so accepting me me as her “new niece” when Steve married my mom. She never treated me less-than and I always felt her love. I remember visiting for holidays or when she would come visit Grandpa Pay while we were living with him. Her laugh was infectious and she smiled with her whole body. I know she leaves a huge hole in her family and my condolences go out to them.
