Kari, I don’t know if you will get this, but Sarah stumbled on this looking for you. Willie and I are so sorry for your loss, even though it was almost 10 years ago. We love you lots and have thought of you so many times over the years. I will always remember your laugh, affectionate nature and the light in your eyes - eyes that shine brighter than anyone I’ve ever known. If you get this please call or text me. 792-378-3381 With tons of love, Allison (and Willie)
