

Kathy Newman

June 11, 1957 ~ August 30, 2022

I am so very sorry for her husband and children’s loss. My Aunt Kathy meant so much to me. I have fond memories from my limited time with her when I was a kid and spent the summer of ‘75’ in Murray and I spent a month again when I was 18 years old. We shared our hopes and dreams for the future. I am so sad she will be missed.
