Sorry for your loss. Kieth was one of my favorite bosses he always made me feel appreciated and was always willing to help me with anything, which is very rare these days.

I worked at BMA with Keith at BMA for almost 15 years. He was my mentor and a role model. A rare combination of wit and charisma.. A great example of a life well lived. This world is now a less better place. I will never forget this incredible man. My sincerest condolences to his family.
