Val and Darla, Our Family is so sorry to hear about your Mom’s passing. May all of your fond memories sustain you through this difficult time. Love you guys.

We always looked forward to the Newbold parties because Aunt Ila made sure they were fun. I loved her beautiful smile and positive attitude no matter the situation. She can be proud of the sweet family she raised. What a hard worker she was! I know you will miss her. Love, Deanna

Dear Ila's family, Your Mother and Grandmother was a lovely woman with a beautiful smile and a pleasant demeanor. She was friendly and had a happy personality. We enjoyed being around her. We have enjoyed knowing all of your family. We feel a special kinship for your family since we have lived in your wonderful home for 43 years. We loved raising our children here and now our grandchildren and our great-grandchildren love coming here. In normal circumstances we would certainly have been at your Mother's funeral. She was special to us. Best wishes to all of you. Love, Verdon and Laurene Walker
